CERTIFICATE OF MAILING 37 C.F.R. 1.8	
I hereby certify that this correspondence is being deposited with the U.S. Postal Service as First Class Mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, D.C. on the date indicated below:	
January 15, 2001	
Date	Signature

Sir:

This is in response to the Notice of Incomplete Nonprovisional Application mailed on December 18, 2000. The response is due on February 18, 2001, and this response is being filed before that date.

The above-identified application is a continuation of Application Serial No. 08/864,423. The Applicants are providing drawings (FIGS. 1a-42) as requested to obviate the notice of incomplete nonprovisional application. The submitted drawings are the same drawings as originally filed in Application Serial No. 08/864,423. The drawings are supported, *inter alia*, by U.S. Patent Application Serial No. 08/864,423, filed May 28, 1997, entitled "Method and Apparatus for Document Processing" which is incorporated by reference in its entirety at page 2, lines 4-6 of the present application.

The present application claims the benefit of U.S. Patent Application Serial No. 08/864,423, which is stated in both the Declaration filed on July 6, 2000, and the Supplemental Declaration filed on August 25, 2000.

Therefore, it is believed that a newly executed oath or declaration is unnecessary and that a filing date should be accorded to the present application.

A check in the amount of \$130.00 is enclosed for submission of the enclosed drawings. The Commissioner is authorized to charge any deficiency or to credit any over payment to Jenkins & Gilchrist Account No. 10-0447/47171-00269.

Respectfully submitted,
